Michael Benson, Sheffield Hallam University

FEEDBACK

"Efficiency has been a defining trademark of the BAM conference since I started attending in 2013. I have received extremely useful feedbacks on my presentations from senior colleagues. I have made significant international networks that are important to my career through the BAM conference. The attraction and motivation to attend the next BAM conference starts from the conclusion of the preceding one. Excellent event organisation by the secretariat. Great conference!" -

Olorunjuwon M. Samuel, University of the Witwatersrand, South Africa

COMMUNITY

"BAM2016 conference was incredible. I met new colleagues and reunited with old ones. It gave me the confidence and reassurance I needed to continue improving my research idea"
