Author Name	Institution	Title	Group	Session Time	Room
Akwai Sunner	University of Strathclyde	An investigation into how strategic alignment is achieved between participating firms in a business technology ecosystem	5	17.00-18.30	MB708C
Anna Clauss	University of Applied Sciences Zwickau	A systematic approach to utilising Artificial Intelligence for the development of agile and collaborative Supply Chain Networks	3	17.00-18.30	MB564
Anneli Manninen	Laurea University of Applied Sciences	How to enhance SMEs' sustainable competitive advantage by regional co-creation of dynamic capabilities	4	11.30-13.00	MB564
Aodhan Newsholme	University of Hull	Exploring conflicting stakeholder interests for locations seeking to build a circular economy	6	17.00-18.30	MB574
Ashley Garlick	University of West London	Making sense of strategizing: Understanding the process and practice of participation in strategy making	5	17.00-18.30	MB708C
Benjamin Richards	The York Management School	The Stable Ground of Nothingness: Critical Theory and the Crises of Neo-fascism in Organisational Studies	6	17.00-18.30	MB574
Dwitya Amry	University of Warwick	The Commercialisation of University's Research in a Developing Country	1	11.30-13.00	MB504
Gokhan Gokmen	Strathclyde Business School	Meta-analysis of Shipping Scenarios: A Fuzzy Set Qualitative Comparative Analysis Approach	4	11.30-13.00	MB564
Lauren Kirk	Ulster University Business School	Does e-HRM have the potential to impact employee engagement through perceived organisational support?	2	17.00-18.30	MB504
Meryem Akin	Bath Spa University	Examining Governance of Collaborations in the Bristol and Bath Creative Industries	3	17.00-18.30	MB564
Michael Parker	Aston Business School	Developing A Performance Index to Measure Soft Skills On Construction Projects: A Delphi Study	2	17.00-18.30	MB504

Mukul Tiwari	University of Birmingham	Workplace bullying and Work-outcome: Role of Intermediate factors	2	17.00-18.30	MB504
Nikolai Kazantsev	University of Manchester	Investigation of Demand-driven Collaboration in Aerospace Supply Networks with an eye to Industry 4.0	3	17.00-18.30	MB564
Preethi Nair	Anglia Ruskin University	Cultural Intelligence, Coordination, and Trust: An exploratory study into Post formation Alliance Management Capabilities	4	11.30-13.00	MB564
Samuel Lawal	University of Reading	A multi-stakeholder approach to stakeholder communication: Exploring the role of multi-stakeholder communication on painting the big picture, and influencing stakeholders' attitudes and behavioural intentions.	6	17.00-18.30	MB574
Shayani Sengupta	XLRI-Xavier School of Management	The Uncertainty Identity Link in Mergers and Acquisitions: Role of Post-merger Integration	6	17.00-18.30	MB574
Sumaiya Alsaeghi	University of Edinburgh	Exploring Entrepreneurial Women Leaders	5	17.00-18.30	MB708C
Xiangming Tao	Holloway, University of London	Team Learning, Collective Efficacy and Innovation Performance	1	11.30-13.00	MB504
Yananga Phiri	Nottingham Trent University	Branchless Banking Innovation in Malawi	1	11.30-13.00	MB504
