

## Collaborative Research Award Grant Scheme 2019/20

### Financial Guidance

The Australian & New Zealand Academy of Management and the British Academy of Management (BAM) will evaluate applications that are submitted under the ANZAM/BAM Collaborative Research Award Grant Scheme based on the following financial principles and specific funding criteria.

#### 1. Financial Principles

- 1.1 ANZAM and BAM are committed to funding one or more grants under these Scheme, dependant on the quality of submissions received, to a maximum value of **£6,000 per application**.
- 1.2 The Grant cannot support the full economic costing given BAM's position as a Registered Charity.
- 1.3 The Grant will be contracted between BAM and the Principal Investigator's Research Office.
- 1.4 The Principal Investigator's organisation will need to issue an invoice to BAM to claim the grant.
- 1.5 The Grant holder(s) must not commit any expenditure prior to the contract being issued and the period of grant having commenced.
- 1.6 The host organisation must agree not to top-slice the grant. Applicants are to receive the full grant being awarded. **This agreement must be included with the application.**
- 1.7 The host organisation normally also includes a commitment to support attendance at either the ANZAM or the BAM Annual Conference where the project will be presented *over and above standard conference support*. **This agreement must be included with the application.**
- 1.8 Priority will be given to applications that demonstrate value for money and financial clarity.

#### 2. Costs that will and will not be covered under the Grant Scheme
